

Fine Motor Skills Art Club

Families,

We will be offering an art club which is focused on building fine motor skills for Kindergarten through 2nd grade.

Each Thursday students will create an item and focus on building these skills.

- Classes will begin January 30th, from 3:30 – 4:30
- Parents can enroll their children online

Please contact Mrs. Bess with questions related to the after-school club.

Looking forward to a great club this quarter!
