4th-5th Graders with String
Instrument Experience Only

The **Strings of the Round Table (SOTRT)** is for 4th and 5th grade students only who have at least one year of string instrument experience. SOTRT students practice every Friday morning

from 7:15-8:00 in the music room. They are encouraged to participate on Wednesday afternoons in addition to Friday morning rehearsals to not only improve their own abilities but also to mentor and lead younger and newer strings students.

Required Books:

Violin - Strictly Strings, Book 2 (for violin) by James Kjelland and John O'Reilly

Viola - Strictly Strings, Book 2 (for viola) by James Kjelland and John O'Reilly

Cello - Strictly Strings, Book 2 (for cello) by James Kjelland and John O'Reilly

The **Strings of the Round Table** (1+ year experience and comfortable reading music) is an extra-curricular music club that meets once a week, under the direction of Mrs. Carpenter. Students who participate in SOTRT should plan on participating the entire school year as learning an instrument takes time and dedication.

Students are expected to practice at home between rehearsals. Instruments are not provided by the school. It is strongly recommended that students do not purchase instruments, but rather rent them at first. The instrument shops will fit an instrument to your student so that it fits comfortably based on their height.

***Archway Chandler will not assume liability for any damage that may be caused to the instrument. Please consider purchasing instrument insurance when you rent your instrument.**
